

KITCHEN BACKSPLASH

Tile layout planner / field worksheet

PROJECT / ROOM

Backsplash elevation

WALL WIDTH: _____

Draw the actual wall breaks, then place tile from the chosen start point.

HEIGHT

UPPER-CABINET LINE

WINDOW / RANGE

OUTLET

OUTLET

LEFT WALL

MAIN RUN COUNTERTOP LINE

RIGHT RETURN

FIELD NOTE

Mark every opening, return, and outlet before choosing the bond. Keep a full tile on the visual focal line when possible.

Measure twice / dry-lay the focal area / keep the cut list with the tile order

Pattern + finish

Choose a pattern and note the finish.
